Re: MBE Recertification (IDOT)

Dear Vendor:

We are pleased to inform you that your company has been granted recertification as a minority business enterprise (MBE) with the State of Illinois.

To assist the minority and female business owners, our agency has entered into an interagency agreement with the Illinois Department of Transportation (IDOT). Subsequently, we have accepted IDOT's decision regarding your certification status. Your certification is in effect with the State of Illinois as long as it is valid with IDOT.

We have enclosed a list of the 62 State Agencies that are affected by the Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act. This list includes the names, addresses and telephone numbers of the Business Enterprise Program liaisons. If you provide a service, please note that each agency purchases services as needed. I suggest you send them a letter of introduction to make them aware of your firm. Commodities and equipment are centrally procured by the Department of Central Management Services. A daily report and copies of commodity bids are available at our office for review.

Also included is a list of the 9 State Universities that are affected by the Act. When contacting the universities, it would be helpful to include a copy of your Bidder's Application Form for reference.

If you have any questions, please do not hesitate to contact me at (312) 814-4190 or (800) 356-9206 (in Illinois only) or (800) 526-0844 Illinois Bell Relay Line for Hearing Impaired.

Sincerely,

Gloria Bell
